Dear Guard: I have indeed been sending my progress e-mails to [wallohonor@gmail.com](mailto:wallohonor@gmail.com).  
Somehow, they are not getting through. So, instead, I will keep you posted from here.

Thank you, Hman! I hope we'll hear good news from you, and much sooner than 6 years from

now!

Thanks for the words of encouragement. I am 3 days away from hitting 30 clean days. I still

have work to do with Shimiras Einayim but I am improving with that too... At least I am no longer actively looking for it... I just need to always remember to look away immediately.

Hey Kedusha,

I was just looking at the wall of honor and noticing how most people eventually stop updating their progress. But you have been so good about going back and updating and i am sure that thats a strong part of why you are where you are today. I can use some of that. Any chizuk from a tried and true fighter?

Dear RealSimcha,

Sorry for the delayed response - I only now noticed your post.

As I've said in the past, I will do whatever it takes to stay clean. That means, on the one hand, taking things one day at a time. And using the various tools in the GYE Handbook. On the other hand, it gives me Chizuk when I reach a milestone. For example, in just over an hour, I will, b'Ezras Hashem, be 2,500 days clean (it's already displaying in my profile due to the time difference).

Hey mr moderator

Your thread is called progress

Ok I gave another friend a karma just before, and wanted to give you an Aliya because ??????  
??????!

You can modify only one person's karma every six hours.

Please wait until this timeout period has passed before modifying any person's karma again.

**Can you request progress please!!**

You should have 788 karma by now, but only 19?? Where's the math? ? ? ?

Which proves to me that the greatest scoring card isn't karma. But then what is it?

ODAAT

Thank you, dear Chaveirim, for the warm words and Chizuk!

Boruch Hashem and b'Ezras Hashem, it's now official - 2,500 days clean, one day at a time.

Mazal Tov to GYE's front-runner on the Wall of Honor, currently holding the GYE Record of Honor!!

I bless you that we should all be around still to wish you Mazal Tov in 5,600 days from now (15.3 years) as well!

(Who can figure out what the significance of that will be?)

In an attempt to answer Guard's riddle: 8,100 days (2,500 + 5,600) = 270 months = 90 seasons.

Right now, be"H, my next goals, one day at a time, are 7 years (Lag Ba'Omer - May 26, 2016), and 90 months (October 8, which is Shabbos Shuva).

By the way, regarding why Lag Ba'Omer (as opposed to May 18) is my anniversary date, see my first post for May 6,

2015 <https://guardyoureyes.com/forum/4-On-the-Way-to-90-Days/5274-Kedushas-Progress?limit=15&start=420#254068>

Close but nope. Keep trying, it's simple.

90 days x 90 times = **11,664,000 Minutes** of sobriety (excluding this thursday)

~~90\*90=8100~~
