Dear Guard: I have indeed been sending my progress e-mails to wallohonor@gmail.com.
Somehow, they are not getting through. So, instead, I will keep you posted from here.

Bardichev,

However, may I remind you that Nu (or Nee) was yesterday, and that I'm, b'Ezras Hashem, up to Naz (or Zan - perhaps a Segulah for Parnasah)!
You're too good to ignore!

Keep up the good work. You are giving Hashem great pleasure tzadik!

I notice that you updated your chart manually. That's wonderful. I am putting the info here on your thread as well, so that next time you will have the links and know what to do...

We created a new "automated" 90 Day Wall of Honor chart to make it easier for everyone (it is still under construction, but it is already functional).

[Click here](#) to see the new automated chart.

21!

From now on, you can updated yourself manually. The chart **automatically** keeps track of how many days you are clean and what Level you are on, each time you update.

Here are the RULES for the new chart:

- You must update yourself at least once a week.
- If you do not update yourself for over a week, your name becomes RED.
- If you do not update for two weeks, your name falls off the chart.

(Even if you fall off the chart, your name remains in our database, so you can choose to go back on the chart by logging in with your username and password and pressing "edit profile" and then selecting "Put me on the chart").

To update yourself, [click here](#) to Login.

Type in your username: **Kedusha**

The password for everyone on the chart is currently: **GYE**

(you can change your password by clicking "edit your profile" at the bottom)

To update the chart, choose "Still Clean" and then press "Update Chart"

We hope you enjoy this new feature. It is one of many new features that we are working on.

Please send us any remarks about the new system, or if you think something should be different or that we should add/change anything.

Keep strong!
