Dear Guard: I have indeed been sending my progress e-mails to wallohonor@gmail.com.
Somehow, they are not getting through. So, instead, I will keep you posted from here.

The gematria of "oneis" is 117. The same as kuf yud ches - with the kolel.

I have no idea what that means, but it was fun.

I'm not into such heavy Kabala, but I heard once (on Purim) al pi pshat (in Yiddish):

Vehash'siya kadus - kadus meand 'kreeglach' (jugs), i.e. they gave to drink in jugs

But don't think these were large jugs - **ein oinss** - just one ounce.

Happy Purim - I mean Shavuos. As Chazal say (Shabbos 88a), Matan Torah happened first on Shavuos and then again biymeit Achashveirosh.

that proves it was woodford and not grape juice. Because for grape juice you need a Reviis, but with woodford there are shi-tos that you can be yotze with one ounce because that's derech shtiya.

a gut Yom Tov to every one;

we should all have a "Kabolos haTorah b'Simcha ub'Pnimityus!!";

as the Lubavitcher Rebbe, Z'chuso Yagen Aleinu, was acoustamed to wish people with the oncoming of Zman Mattan Toraseinu;

during which he also urged that EVERYONE, even small infants, should be present in Shul during the reading of the Asseres haDibros, based on a medrash that each and every year, during that reading on Sh'vuos, it is considered as if we are actualy recieving the Torah right now from Hashem, hearing the Asseres haDibros from Moshe Rabeinu on Har Sinnai!!

At Mattan Torah the entire world was *MIRACULOUSLY* silent..... :-X

:-

if we could always keep (ourselves and our ta'avos) silent like that, it would be pretty cool!

'lo matzasi laguf tov ela shtika"--pirkei avos.

B'Ezras Hashem, I am very happy to report that, as of yesterday (May 18), I reached my four-year-clean milestone. You may recall that May 18, 2012, the day I reached my 3-year milestone, was Yesod shebeYesod. The Hashgacha was incredible. According to the Luach, the next time May 18 falls on Yesod shebeYesod is 2050 (5810)! Of course, we hope Moshiach will be here well before then, which might make it come out sooner!

I am deeply grateful to the RBS"O, to Guard, and to the GYE community for helping me reach this point. To those whom I know from the forum and, especially, to those whom I've spoken to or met in person, your friendship means a great deal to me.

We should all continue to make progress and serve the RBS"O b'Kedusha, one day at a time!

WOW!! *Kninea hara*. I just stumbled on this thread and I am truly inspired. I thought the 90+ days that I got to over 7 months ago was impressive but now I realize that there is still much to strive for.

Hatzlacha to us all!!!
