Posted by Kedusha - 25 May 2009 20:03

Dear Guard: I have indeed been sending my progress e-mails to wallohonor@gmail.com. Somehow, they are not getting through. So, instead, I will keep you posted from here.

To hear all the insightful clips from Rabbi Yisroel Belsky, see the link below (most, but not all, require access to the married men's forum).

I tired to access the links above, and get a message saying I do not have permission to view these threads. What do I need to do to get access to these threads?

Thank You,

lightness

The first link works for everyone. The others are for balei batim and therefore blocked if you're not married

Dear Chaveirim,

Lag Ba'Omer is only hours away. This day is, be"H, a very special milestone for me - six years clean!

I have had amazing Hashgacha regarding my anniversary dates. The day when I was three years clean (May 18, 2012) fell on Yesod shebeYesod (the 41st day of the Omer). I was incredulous at the Hashgacha. As noted back then, according to the Luach, the next time May 18 falls on Yesod shebeYesod is 2050 (5810)! Of course, we hope Moshiach will be here well before then, which might make it come out sooner!

Then, last year, my five-year milestone, fell on Lag BaOmer - a day of great Kedusha and celebration. The Heiliger Guard happened to be in my area for a Chasunah, so I actually spent time with him on this special day. We agreed that, be"H, Lag BaOmer, as opposed to the secular date, would be my anniversary date in future years.

As an added bonus for this year, Guard pointed out to me that the number six represents

I am deeply grateful to the RBS"O, to Guard, and to the GYE community for helping me reach this point. To those whom I know from the forum and, especially, to those whom I've spoken to or met in person, your friendship means the world to me.

We should all continue to make progress and serve the RBS"O b'Kedusha, one day at a time!

Kedusha

Dear Chaveirim,

I really appreciate your comments and your Chizuk.

Belmont, I hear you. I really do. It's tough for me to strike a balance between spending too much time on the forum and spending the right amount. So, I'll see what I can do.

Just as an alcoholic needs to avoid that first sip, a lust addict needs to avoid that first slip. Slip today? No way! ;) Fall today? No way, Jose'!

Jose ! is Yosef which is Yesod. Hey no joke think about it !
