

Noora BAmaram's Journey and Journal

Posted by Noorah BAmram - 07 Jun 2009 17:27

Shalom Alleichem to all my friends on this holy forum,

Today is with the help of Hashem day 61 on my sobriety journey.

I choose the name Noraah BAmram based on the famous story at the end of Kidushin where Reb Amram Chasida was faced with the battle we are all battling on this site. when he was halfway up the ladder to sin he shouted out **"FIRE IN THE HOUSE OF AMRAM - "FIRE IN THE HOUSE OF AMRAM -** I too scream out "fire in the house of Amram" "fire in the house of Amram" and all the sages came running to save him>

I hope and pray that thru my continued posting on the forum and being on the 90 day chart, somehow the fires of the YH that is waging inside me will be also be extinguished.

The chizuk and understanding that I received from all the members on this forum since I found this site about 2 months ago is absolutely indescribable and immeasurable.

Thank u to each and everyone of you- starting of course with our beloved webmaster, affectionately known around here as "Rabienu Guard" for opening up and sharing your own struggles, tips and suggestions and thereby giving me such tremendous chizuk.

I'm not the best typist in the world but i will try to keep posting as time allows.

Holy rebbe reb dov

The "insanity" was creeping up on me lately....I caught myself thinking for a fleeting moment what if I should try to override the filters (the bypass attempt probably won't work since I installed a sonicwall filter and my wife is the only one with the password - but that is besides the point.

Then I was in a situation where I was tempted to take that second look.

Then a little while later I was again in a situation where I was tempted to take that second glance.....

So you see my dear holy friends that is why I let loose with the ole MAYDAY CRY of FIRE IN

THE HOUSE OF AMRAM!

With the hope and prayer that this will help somehow to extinguish the FIRE and douse it

Love to all

Noorah

completely, at least to lower the "flame" a little

in all honest holy noorah

I learned that gemoraah sof kiddushin

I said it over birabim

IN YOUR ZECHUS

listen tzaddik

here is my spin

he was called reb amram chassidah before the story of the ladder

and he retained his name even after the story

so you will always retain "total noorah status"

so you played with your filter

YOU ARE STILL NOORAH"

TELL THAT TO THE YH

Holy REBBE B,

Thanks for the encouragement. I didn't play with filter, I was just toying with the idea in my crazy p**n addicted mind.....what if scenarios? Which in the past has been a prelude to full blown crashes. Hence the MAYDAY call!!

The filter in my office - which I don't have the passwd- is set up in such away that any attempt to bypass sends off warning emails to the IT admin and to others in the office. At home I don't have internet access only the blackberry which is filtered at the isp level by jnet.

I pray "rachmana nigar bei bsatan" May the Merciful One do battle with my YH"

Love to all

Noorah

Noorah and anyon else *like* the holy Noorah:

The Noorah's words are a breath of fresh air!

Lets all take a minute to recognize **how far the "battle lines" have been drawn back** for us. Just a few months ago many of us would be deciding between four hours...or *five* hours in the internet "sewage facility". Now, our struggle is whether or not to fantasize about adjusting our "sewage" filter. Wow. What a difference a bit of sanity makes... :D

To use someone else's perspective: *someone* is reteating, **and it ain't us!**

Noorah-bardichev said it right a few days ago. A day without you is a day without sunshine. the rays of the sun warms, gives light, gives us all hope. My friend, your war, my war, the war all of us are in is not an easy one. but watching you fight makes my fight easier, knowing that no one is alone in this fight, and that gives me a great deal of comfort. When I go out into the warmth of our healing sun today, I think of Noorah and all those that have the honor of being your friend. and I truly hope that I could have the zchus of being near you in the World to Come.
