

Noora BAmaram's Journey and Journal

Posted by Noorah BAmram - 07 Jun 2009 17:27

Shalom Allechem to all my friends on this holy forum,

Today is with the help of Hashem day 61 on my sobriety journey.

I choose the name Noraah BAmram based on the famous story at the end of Kidushin where Reb Amram Chasida was faced with the battle we are all battling on this site. when he was halfway up the ladder to sin he shouted out **"FIRE IN THE HOUSE OF AMRAM - "FIRE IN THE HOUSE OF AMRAM -** I too scream out "fire in the house of Amram" "fire in the house of Amram" and all the sages came running to save him>

I hope and pray that thru my continued posting on the forum and being on the 90 day chart, somehow the fires of the YH that is waging inside me will be also be extinguished.

The chizuk and understanding that I received from all the members on this forum since I found this site about 2 months ago is absolutely indescribable and immeasurable.

Thank u to each and everyone of you- starting of course with our beloved webmaster, affectionately known around here as "Rabienu Guard" for opening up and sharing your own struggles, tips and suggestions and thereby giving me such tremendous chizuk.

I'm not the best typist in the world but i will try to keep posting as time allows.

NB

Noorah is worried that he is entering the "hot zone".

I'm coming off a very loooooong project @ work, about to wrap it up, I'm burned out and depleted both physically and emotionally - easy prey for that BIG FAT FAT BEAST commonly

Last time I fell it was under similar circumstances and I seek no encore performance!

I'm going to SCREAM NOORA BAMRAM-FIRE IN THE HOUSE OF AMRAM

I try to minimize my visits
but when I do pass thru there I make it a point of taking the FDR drive
instead of the West side highway because I believe there is less "view" there and less billboards
)

The advertisers on these "un holy" billboards don't spend millions of dollars for nothing - they know exactly what they r doing - I make it a practice of keeping my eyes strictly on the road and cars ahead (btw this is very practical in ny - it saves all kinds of hassles with visits to "body"
)nevertheless there were 2 huge multi story p**n billboards -forgive me for my crass expressions but I have no better way of describing them for the purpose of this which I sorta glanced @ from my peripheral vision.....being that thru the kindness I believe that I

known as the YH

may be in heightened state of sensitivity and this image keeps replaying in mind hence

I pray the Ribono shel Olom should douse this fireNOW

Noorah

I can hear you screaming. Now that you screamed FIRE, I would humbly suggest that you start screaming at the menuval "SHUT UP YOU LIAR" Tell him that he's making a big deal out of nothing. All you saw is a peace of raw meat that some weird people worship. There's nothing there at all (except a lot of pain) and most important, everything will be absolutely FINE if you just walk away.

The menuval makes it in to a whole emergency and tells you that you're going to explode etc., when really all you have to do is turn your back on the whole thing. And of course when you do turn your back on it, you've accomplished the greatest accomplishment in the whole world!

CHAZAK VE'EMATZ!!!

Of course he keeps coming back. Because Hashem get's such a HUGE nachas ru'ach when Noorah who a short time ago.... is now making a leitsonos out of the menuval. So Hashem is replaying it again and again. Join in Hashem's simcha, it's a very great madreiga of Dveikus. I'm imagining what it must look like in shomayim - I would assume that the Simchas Beis Hasho'eva in the Beis Hamikdosh was small compared to this.

Dear R' NBA (Noorah B' Amram) -

Be"H this may be the waterbucket you are looking for:

Yesterday, walking through the very unholy-appearing NYC (from the Megabus dropoff three squirmy blocks to Penn station) and then to my parents' home in Queens, I had the peripheral vision experience you describe, at least 10 times.

Anyway, it's one thing driving around *at home* where I'm used to the very brief eye-closing and diverting my mind to reality, the surrendering of curiosity to Hashem, and the choice of safer routes to avoid "trouble". It's an entirely different experience **having the sewage poured on me** as I go through *that* town! Now, I do believe Hashem has the "brawn" and the "brains" to save me from that, too, if push comes to shove, but I wasn't used to that feeling (anymore).

So, here is my share to you, NB'A:

I became aware that I was starting to feel "dirty" at some point, after getting "splashed" by a few "lust-puddles". I started to feel quite the victim. Not good. But what was *worse* was that I started to feel dirty. Dirt attracts only more dirt, of course. I realized that no matter how "dirty" I was it'll do me no good at all to "live in the problem".

Then the thought occurred to me that Chazal talk about "if this menuval accosts you....". And it dawned on me with Hashem's loving help (He **is** wild about me, you know), that they call the YH the "menuval", *not* me. I'm the "*boch*" who they are referring to, of course. But on a deep level, I was actually identifying/confusing myself with the *menuval*, being azah farschmutzed!

As soon as I became aware of that, I chuckled again at how goofy an addict can be (very, very goofy, in fact!) and asked Him for help, being that I am an easily tricked man. Then we (Him and me) went on to my parent's home (my earliest acting out incubator!!) and had a great time with them, clean as a whistle. He *really is* the best Friend one could ever ask for, no? And I don't care how low any yid goes, as soon as he doesn't **want** to be so, he is not *really* farschmutzed at all!

If I ever feel farschmutzed again, I guess Hashem will help me just "close my eyes" to my *own* mishigaas and help me have **simple faith** that I am *actually* a heilige man with a blazing, ancient light inside and a burning flame in his heart walking through this "ir gadol filled w/people who don't know their right from their left"!

Sorry about waxing poetic. Hope you get the practical suggestion. Just an addict sharing, really.

Love,

Dov

Dov thanks for this share, it does help to know that I'm not the only human affected by the holy
, I was actually going to get in touch with u- that's how

I'm envious of your real and I underline the word real "relationship" with Him.

Do u ever stop and think that were it not for addiction u probably would live a 120 years and not reach this "real" closeness with the Ribono she'll olom? I know this is probably elementary and sorta goes without saying but I'm saying it anyways.

Love and tremendous respect my chashuver friend

, is
perhaps the only hope I have of gaining humility. I do not know exactly what humility is, but one
of these days I'll ask a certain guy I love here who doesn't have a lower-case on his keyboard.
Maybe he'll let it slip!

And, what would would we ask "Mr Fried, would you like to be our poster boy?" ;D

Oy, vei, I think i'm really hopeless!!!
