

Noora BAmaram's Journey and Journal

Shalom Alleichem to all my friends on this holy forum,

Today is with the help of Hashem day 61 on my sobriety journey.

I choose the name Noraah BAmram based on the famous story at the end of Kidushin where Reb Amram Chasida was faced with the battle we are all battling on this site. when he was halfway up the ladder to sin he shouted out **"FIRE IN THE HOUSE OF AMRAM - "FIRE IN THE HOUSE OF AMRAM -** I too scream out "fire in the house of Amram" "fire in the house of Amram" and all the sages came running to save him>

I hope and pray that thru my continued posting on the forum and being on the 90 day chart, somehow the fires of the YH that is waging inside me will be also be extinguished.

The chizuk and understanding that I received from all the members on this forum since I found this site about 2 months ago is absolutely indescribable and immeasurable.

Thank u to each and everyone of you- starting of course with our beloved webmaster, affectionately known around here as "Rabienu Guard" for opening up and sharing your own struggles, tips and suggestions and thereby giving me such tremendous chizuk.

I'm not the best typist in the world but i will try to keep posting as time allows.

NB

Well, BH that Noora had an easier day. And I was just thinking that perhaps its because he was busy with me today.

Anyway, I sent him packing.

maybe a couple of split seconds later than I would have liked...

nu nu.

I'm a chosid of Bardichev, so I can keep on trucking anyway.

Holy chevrah,

Need to share this. I was wasting sometime surfing a news site when I clicked on a news item that deep down I knew I had no business there. Harmless?? Noooooooooo!!!! A few minutes later still wasting time I click on another news item that relates to znus in a sort of "clinical" way. Whadya know? Like a smack in the face - The jnet filter blocked it!!

Thank You Hashem!!!! Thank You Hashem!!! A million times thank You!!!

In the "good ole days" this kind of surfin would led me down a path straight to the abyss..... And I also know with out a shadow of doubt, that were it not for the jnet filter installed (that is isp based and cannot be circumvented) I will once again before long be heading down that very same path.....

Sobering.....

A very humble

Noorah

Filters work best in cases like this - where the person doesn't want to fall, and just needs a reminder.

Great job, dear Noorah!
