

Noora BAmaram's Journey and Journal

Posted by Noorah BAmram - 07 Jun 2009 17:27

Shalom Alleichem to all my friends on this holy forum,

Today is with the help of Hashem day 61 on my sobriety journey.

I choose the name Noraah BAmram based on the famous story at the end of Kidushin where Reb Amram Chasida was faced with the battle we are all battling on this site. when he was halfway up the ladder to sin he shouted out **"FIRE IN THE HOUSE OF AMRAM - "FIRE IN THE HOUSE OF AMRAM -** I too scream out "fire in the house of Amram" "fire in the house of Amram" and all the sages came running to save him>

I hope and pray that thru my continued posting on the forum and being on the 90 day chart, somehow the fires of the YH that is waging inside me will be also be extinguished.

The chizuk and understanding that I received from all the members on this forum since I found this site about 2 months ago is absolutely indescribable and immeasurable.

Thank u to each and everyone of you- starting of course with our beloved webmaster, affectionately known around here as "Rabienu Guard" for opening up and sharing your own struggles, tips and suggestions and thereby giving me such tremendous chizuk.

I'm not the best typist in the world but i will try to keep posting as time allows.

Dearest Chevrah,

I'm checking in to let all my dearest friends know that i haven't fallen off the face of the world nor off the proverbial "wagon". Recently i took what for me is a draconian step and got rid of the browser on my BlackBerry, so the only place i now have any internet access is at my work computer.

Power to you Noorah, I too find myself totally addicted to my Blackberry, and even waste hours playing Texas Hold Em (although my hours waster per week has come down significantly since the first month I had the BB when it was really insane...) Us addictive personalities can get addicted to almost anything... Big move taking off your browser, big move....

As some wives might put it (if they weren't so tactful) "I married a fruitcake, not a Blackberry!" ;D

Hey Noorah

First of all, kudos for your screen name, that whole gemara there gives lots of hope for the little guy who struggles, it's good to see that some of the greatest amoraim struggled too!

I actually want to know how I can use GYE on my blackberry? is it only through the browser?
Cuz the browser is mad slow?

Thanks,

Haba
