

Noora BAmaram's Journey and Journal

Posted by Noorah BAmram - 07 Jun 2009 17:27

Shalom Alleichem to all my friends on this holy forum,

Today is with the help of Hashem day 61 on my sobriety journey.

I choose the name Noraah BAmram based on the famous story at the end of Kidushin where Reb Amram Chasida was faced with the battle we are all battling on this site. when he was halfway up the ladder to sin he shouted out **"FIRE IN THE HOUSE OF AMRAM - "FIRE IN THE HOUSE OF AMRAM -** I too scream out "fire in the house of Amram" "fire in the house of Amram" and all the sages came running to save him>

I hope and pray that thru my continued posting on the forum and being on the 90 day chart, somehow the fires of the YH that is waging inside me will be also be extinguished.

The chizuk and understanding that I received from all the members on this forum since I found this site about 2 months ago is absolutely indescribable and immeasurable.

Thank u to each and everyone of you- starting of course with our beloved webmaster, affectionately known around here as "Rabienu Guard" for opening up and sharing your own struggles, tips and suggestions and thereby giving me such tremendous chizuk.

I'm not the best typist in the world but i will try to keep posting as time allows.

NB

No long *drashos* here ?????? ??? ?????? ????? ?????

its with the greatest of humility that I thank the Almighty for 2 years clean on April 8th.

the following is partial list of what I attribute the success that I had hitherto - may the Almighty continue protect me amongst all His struggling children!

1 -non-stop Prayer that Hashem safeguard my eyes and my heart from any sin!

2- belonging to this holy website -no kidding -*nitfal losei mitzvah*

3- *zechus avos*

4- Limiting general computer use to work only and even then I'm fanatical regarding a filter with my wife holding the password.

5- be ????? ?? ????? in my own sphere of influence by promoting, talking and encouraging others about ????? ????? and the dangers of the internet. Educating people about the importance of having no no-nonsense filters and accountability software.

6 - learning constantly the Laws of Shmiras HAlashon since there is a direct connection between the ????? ????? and the ????? ????? as mentioned many times on this site and in the chizuk emails.

7 - removing the glasses when necessary and trying to be cognizant of the concept of ????? ????? ??????

8 being extra vigilant with *hilchos Yichud* in office with cleaning help etc

?????? ??????? ??????? ??????????-? I lift up my hands in prayer to Hashem that He continue to carry me in His Right Hand and protect each and everyone of His children on this holy site from all harm ????? ?????.

With tears in my eyes I thank the holy Guard, were it not for him and the holy chevra on the forum I wouldn't be who I am, where I am and what I am

wishing all my brother warriors a true ??? ?????

Fiery Love to all

Noorah the smallest from house of Amram

It's a learning experience.

You'll be OK. Hashem isn't generally here for the perfect ones. You are still an inspiration, especially by coming back here to your recovery friends and getting right with 'the shoresh', early on. I have had many very bad bumps in my road, and only Hashem knows what is in the future for any and all of us. He's got the best for you tomorrow, too.

Love you so much sir,

Dov
