HURRAY!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

3 Months

13 Weeks

90 Days

2160 Hours

129,600 Minutes

7,776,000 Seconds

How many Milli-seconds??

What are we celebrating? What does 90 days mean?

You changed the name of this thread, but you didn't change YOUR name - yet!

JIP is still here.

You are a different JIP today!

Tefillin is once a day. Kriyas Shma is twice a day.

KEDUSHA V'TAHARA is every milli-second of the day!

How many of these do you have in your pocket now?

Dovid Hamelch was undressed. He didn't have his yarmulka & his tzitzis. HE HAD SHEMIRAS BRIS KODESH!

So do you, JIP.

You are a different person.

YOU have Shemiras Bris Kodesh!!!!

You are a HOLY YID.

Hashem loves you even more than we do!

... & all of us here at GUARD YOUR EYES love you a lot!!!!

Great job! but to go along with what other people are saying you should still keep being very cautious! Don't let your guard down because like tried-123 said we really don't you back in a year unless it is to say that you have been clean the whole time so everyone can congratulate you! Keep up the amazing work! Mazal Tov!

Oh my! I just saw this beautiful post of yours JIP now for the first time!

How precious. I will try and share parts of it in tomorrow's Chizuk e-mail.

Your story or pain and recovery is one of the most passionate and inspiring I have ever seen.

I have a meeting in a few weeks IY"H with Dov Hikind who deals with Child Abuse issues. I want to show him your story.

If anyone else on this forum was abused and found healing through GYE, please send me your story and testimonial, so I can show it at the meeting as well!

JIP, your story shows how anyone, no matter how battered and hurt, abused and lost, can find help and hope, freedom and recovery, if they only have the tools and the support they need!

May Hashem truly bless you to go from strength to strength.

## **UPDATE**

20 + weeks here goin clean, feels good but hard, not sure what's more, 1 point to bring out,

being clean is only a baby step in this battle & w/o a clear plan on what to do next u have gained not much, we have to do all the other steps such as 12 step program or sponsor or both i am not very familiar with that YET, but i know that 90 days for itself is far from accomplishment

Take care guys

I'm afraid you're right: being clean might be the first battle but it's not the war.

Darn!! I think if someone had told me that when I got started, I might not have gotten started.

Which is probably why nobody told me.

Are we going to find out who the real R Guard is ? Will Dov Hiking spread your services with credit to you?? keep it in mind!
