Hey folks, as u all know, I've been up. Here for a while now, and u all had a chance to see my struggles and my history, so here I am almost 60 days clean

So now what?? What happens after 90 days, do I become suddenly normal or what

JIP,

How do you grow to believe in yourself that you can make it? How do you know Hashem loves You?

Heard this beautiful vort a few times, mostly B'Shem rabbi reisman:

The order is Kadesh Urchatz. Kadesh, accepting/bringing in Kedusha, comes before Urchatz,

washing off the shmutz. but isn't it supposed to be the other way around? The whole year it's Sur MeiRah, then V'Asei tov. That's why Asseres Yimei teshuva comes BEFORE Yom Kippur. Don't you always have to wash off the shmutz before you can be a Kadosh?

On both Yom Kippur and Leil Shimurim we wear a kittle, the white symbolizes a new beginning, a clean slate. On YK we get there from the hard work of previous teshuva. But on PESACH NITE, there is a special koach of LOVE from Hashem, and we get there FIRST, and the "teshuva" comes after. Thats the special lesson on Leil Pesach, which is why there is a VAV between those two simanim, and not between any others - kadesh **U**rchatz!! When Hashem took us out, the Nite of Pesach, realize that WE WERE STILL ON THE 49TH LEVEL OF TUMAH - we didn't start improving until we got out, climbing each day to matan torah! AND YET HE STILL TOOK US OUT!! WE WERE STILL IN THE SHMUTZ, STUCK IN THE MUCK, and that DIDN'T STOP Hashem from loving us and taking us out!

Pesach is a VERY special time, when ALL hashem wants and expects from us is that we RECOGNIZE that HE is the ONLY ADON, and the we ONLY WANT to be HIS EVED. We'll learn HOW to be a GOOD EVED later, for NOW we're declaring our ALLEGIANCE and our willingness to follow Him.

We don't know WHERE we're going, we dont know HOW we're gonna get there, we don't know WHAT we'll eat along the way, all we know is to TRUST in HASHEM and want to follow Him. He LOVES ME, despite the shmutz! He DESIRES me!! And I'm gonna LOVE HIM right back!!

JIP, this is a special message to US addicts - it DOESN'T MATTER that we're stuck now in the muck! On Pesach we can START A NEW SLATE by recognizing that HASHEM is the one in control of our lives, and determine to give up the fallacy that WE are in control. LET HIM CARRY YOUR BURDEN. Move forward OUT of our personal Mitzrayim, and DONT LOOK BACK!!

Chag Kasher V'Somayach! May you FEEL the Kedusha, and always remember how MUCH Hashem Loves you!!

JIP,

You inspire all of us. Keep it up for our sake and, of course, for yours. You have come this far...  
let that be your strength to continue. You remind all of us what we are capable of and you  
shouldn't start to forget it yourself.

Thank you again. As Bardichev says, "Keep on Truckin"
