Hey folks, as u all know, I've been up. Here for a while now, and u all had a chance to see my struggles and my history, so here I am almost 60 days clean

So now what?? What happens after 90 days, do I become suddenly normal or what

HI, Jew-in-PARADISE. Just wanted to pop in and let you know what a gibbur I think you are. Your bio is very moving, the work you do is very moving, and your determination/grit is just breathtaking.

None of knows just why HKB'H might have set out such a big glass for your tears before He cleans things up. But your continuing to fill them up and come back for more is one of the reasons I admire all of us crazies on this site. (Except that we're not the crazy ones, 'cause we're committed to working it all out, while those "normal" ones out there are really missing out.)

You go, boy!

I don't know who Angus McGyver is.

Is he from the Rishonim or Acharonim?

(Rage, You asked me to post nonsense.. )

JIP, you are like Rumpelstiltskin!!! You spin straw into GOLD!

I'm so confused...

how can nonsense be the currency of the land?

it does not make any CENTS.

must be a code...

NUN-Sense?

cannot be - this is supposed to be a Kosher site.

NON-Cents?

perhaps non-cents is the currency of the land??

that would mean like NO CENTS...its just a bunch of CHANGE!

maybe thats it...CHANGE is the CURRENCY of the land!

that would fit!

hmmm..not bad!

I think I deserve a treat... I'm going to help myself to some brownies.

anyone want some ...

come and get them!!

E E E E

yuck yuck yuck!

;D ;D ;D ;D

what else would you expect from a WALLnut like me?
