

Awakening the Rage

So after seeing some initial success right here on GYE (4 months) ive had an extremely difficult time staying sober...sometimes i get a week, sometimes more, sometimes less, but nothing real...truth is ive felt the desire to stay clean and sober dwindle..hopelessness...depression...i dont know if those are the right words...definatly feel numb...totally and completely numb to the addiction but also to everything else too...so my elders have advised i take it to the next level and that is great advice so i got a name and a number of a dude that goes to sa groups in my hood and i gave him a shout out...hopefully something develops there...but i feel a little like i hit rock bottom (once again) and im hoping the feeling propels me in the right direction...and what better place to start than where it all began...right here on GYE...sadly, i cannot say that hayom yom echad....hopefully tomorrow will be...ready to start taking those baby steps again....

ah ah!!! good point Dov.

Ok - Rage, there you have it!

now you will have to join AMWAY, too - in order to get your box of soap!

besides - AMWAY makes great partner for GYE, don't you think?

how about as a slogan: "Because you've been SOOOO dirty! "

ok - so probably neither one will go for it.

(its a good thing I am not in marketing. )

so i went to another meeting today...i am so backed up at work i told the leader that i will be cutting out early but i couldnt leave...i feel like it makes such a difference to attend those meetings...makes a big difference...so hashem has granted me 8 clean days...i dont know why and i dont know how but im thankful...i tend to lose my humanity when im in the bad zone...i think if i can sum up in a few words why i want to stop living a slave to this addiction and why acting out and lusting makes me so depressed its this: i want to be free and i want to be human...

G-d bless you, you sweet yid!
