

Awakening the Rage

Posted by Cry2Tatty - 07 Apr 2010 18:52

So after seeing some initial success right here on GYE (4 months) ive had an extremely difficult time staying sober...sometimes i get a week, sometimes more, sometimes less, but nothing real...truth is ive felt the desire to stay clean and sober dwindle..hopelessness...depression...i dont know if those are the right words...definatly feel numb...totally and completely numb to the addiction but also to everything else too...so my elders have advised i take it to the next level and that is great advice so i got a name and a number of a dude that goes to sa groups in my hood and i gave him a shout out...hopefully something develops there...but i feel a little like i hit rock bottom (once again) and im hoping the feeling propels me in the right direction...and what better place to start than where it all began...right here on GYE...sadly, i cannot say that hayom yom echad....hopefully tomorrow will be...ready to start taking those baby steps again....

i didnt go to the meeting today...so much stress...deadlines...everyone wants everything done yesterday...i want to quit everything...i feel like the fault lines at the edge of my universe are changing and the backdrop scenery of my galaxy is bending and rising...no mas...

I know dovish pretty well, but ragish is a much harder language.

Come on, Scottie. Give her all you've got!

I can't, Captain. She won't take no more! She'll blow apart!

Oh, come on, Rage, give her one more meeting! Surely there's enough plasma left for that....

Rage, if you don't make it to the next meeting I'll run you over.

Now, just lay **still** for a minute. This takes patience with my trike, but I think it's been done before...maybe on Laugh-in?

so i went to a few more meetings this week...[...]

daven with me to hashem to allow me to not lust....

Well, well, well, Rage:

1. Woo Hooooo on getting to the meetings you want to attend!

2. Instead of davening with you to "NOT lust," would you let me daven with you to "FILL UP on the good stuff so there's no more hiding place for the shmutz" -- it might sound the same to you but in my life it feels different to want something good instead of wanting "NOT" something else. Can't quite explain it, but hope you're good with this. I'd be happen to daven with/for you.

3. Good Shabbos, Good Sunday-with-the-wife, Good Week, Good everything that you desire that is for Good.

PS: I had to edit this message because somehow instead of Sunday with the WIFE, I had typed in Sunday with the WISE. You think this might be some kind of Freudian Slip? Whoa.

and i just want to stop being a junkhole, too....so i went...

Well, remember, G-d didn't make no junk. (Or, from a Jewish perspective, He must have made it for a really really important purpose; hence, it's important too.)

Remind me sometime to tell you the joke about the different parts of the body vying to be King.... Maybe you know it....

As long as you are not standing still, you are moving ahead. Even a snail can win a race.
Hashem wants to DO, He doesn't expect us to ACCOMPLISH.

Even the step that we may think is very small, is truly GREAT in His eyes! ... and your step is
not even small by human standards either!!!
