

Bruce's Battle

Posted by BruceWayne - 17 Jun 2009 14:30

OK guys, it took me a little while but I'm finally up on this part of the forum. Most of you probably know who I am by now, so I won't repeat my story. You can find that and a bunch of other stuff at my original thread here: rehab-my-site.com/guardureyes/forum/index.php?topic=503.0

I will be posting my progress towards 90 clean days almost every day here. Updates will be right before I go to sleep, once the day's victory is secure, or the next morning.

This thread is really for myself. I don't care if no one reads it. It's here to keep me accountable and to help me get there.

So far I have been clean for 4 days. Today will hopefully be number 5.

Bruce, could you try and keep your posts short and to the point please? We don't have enough room on this forum for such long posts!

Ooooooh good time to hop onto your thread!

Looking forward...

You have a very powerful sex drive. Mazal tov. You can't stop it. What you can do is throw yourself into something else. If sports is not your thing get invovled in politics. Get worded up about Obama's health plan.

It's not a sex drive, it's a sex *overdrive*. You really have no idea...

Sports is my thing, but it's been a while since I could be serious about it. I'm just getting back into it. I think part of the reason I got involved in SA to begin with is because I became depressed when I suffered a series of injuries and I couldn't be serious about my athletic pursuits anymore.

But like I said, I'm getting back into it. I'm getting back in shape and getting my strength back, and I'm pretty sure this will help me in my fight. I know it will. My success in life depends directly on my activity in the gym. The gym is my lifeline. It only makes sense if you've lived it before.

And about Obama's healthcare plan....I'll just be brief because it really makes my blood boil.

I actually want to go into medicine but this guy is determined to ruin the greatest healthcare system in the world. I feel like he's undermining my career plans. By the way, everything you see about it in the mainstream media is all disingenuous garbage.

I REALLY CAN'T STAND THIS GUY!!!!

P.S.--if you can't tell yet I'm a staunch conservative.

Bruce conservative? u r my type of guy;)

Can't listen to the news it makes me SICK:(

The only good thing is, that the way it is now if the Dems won't pass it - but even with changes anything the government touches turns to c**p
