

Bruce's Battle

Posted by BruceWayne - 17 Jun 2009 14:30

OK guys, it took me a little while but I'm finally up on this part of the forum. Most of you probably know who I am by now, so I won't repeat my story. You can find that and a bunch of other stuff at my original thread here: rehab-my-site.com/guardureyes/forum/index.php?topic=503.0

I will be posting my progress towards 90 clean days almost every day here. Updates will be right before I go to sleep, once the day's victory is secure, or the next morning.

This thread is really for myself. I don't care if no one reads it. It's here to keep me accountable and to help me get there.

So far I have been clean for 4 days. Today will hopefully be number 5.

I can't stand it when people don't read instructions. See the "Help" link above?

As for what's going on with me, that tramp is back but I'm still clean. It's not even triggering anymore. I just want the filthy ho-bag out of my house. It's more a matter of being uncomfortable than triggered.

The annoying thing is that I haven't even had a chance to confront that man-whore roommate of mine because he's either locked in his room with that dirty excuse for a girl or he just isn't here.

This BS has to end.

hey, Bruce, just wanted to say that it's awesome that you're breaking 30, even with all the stuff going on!

You rock!

Hey Bruce,

Many moons ago a good friend of mine went to a Megadeth show in Memphis. After the show hundreds of people were crowding the barricades to see them as they came out of the concert hall. My buddy knew that Dave Mustaine wa Jewish, and saw he was not going to get a chance to get close to him, so as they were walking out he screams out "Shema Yisrael Ha-shem Elokeinu Ha-shem Echad!" Dave Mustaine stops and says "Who said that?" He tells my buddy to hop the barricade and he got to hang out with them that night for the afterparty.

Point is, when you're not feeling like you are connecting with The Real Star, just call out a little louder, He'll see you, and you can enjoy the afterparty!!!

That's a very cool story.

I know someone who hangs out with the guy from Disturbed. Dramin I think his name is. He say he has no doubt that one day he'll be back.

Maybe one day when they're all chassidish, they'll get together and make a metal B'simcha album or something.

Wow - that's a beautiful way to put it...you just took a beautiful story, and made it even more wonderful!

And the best part is, that Bruce is already calling out, in the best way possible!

Sorry to hear Bruce. Can u go for a walk or perhaps drown out the noise with headphones.

Acting out will not make the people upstairs disappear.

I've got the heavy metal blaring.

For the record, I do listen to other genres.

The music that I listen to isn't so "kosher" - but then again, if it helps me, maybe it is - its been a looooooong day.

You r in one tough situation.

Maybe you should put on some real yeshivish music to scare them away (yeshiva boys choir? - I dont really know jewish music).

Good Luck!

I don't know it nor do I own it and I'm proud of that.

The stuff makes me cringe.

I've been slipping daily for a while now.

Go somewhere I shouldn't or do something I shouldn't, see something I shouldn't, read something I shouldn't, think something I shouldn't....every day.

It's only a minute or two each time. Not far enough for a fall, but crap.

C.R.A.P.

I hate the media.
