

Bruce's Battle

Posted by BruceWayne - 17 Jun 2009 14:30

OK guys, it took me a little while but I'm finally up on this part of the forum. Most of you probably know who I am by now, so I won't repeat my story. You can find that and a bunch of other stuff at my original thread here: rehab-my-site.com/guardureyes/forum/index.php?topic=503.0

I will be posting my progress towards 90 clean days almost every day here. Updates will be right before I go to sleep, once the day's victory is secure, or the next morning.

This thread is really for myself. I don't care if no one reads it. It's here to keep me accountable and to help me get there.

So far I have been clean for 4 days. Today will hopefully be number 5.

helps if you hold a steak knife and let your eyes glaze over as you stare at it...

Might get them outta there!

;D

I think drooling also helps. Maybe a 000 haircut for the occasion as well.

OK Rage, how the heck do you do that? When I try to copy/paste it - it doesn't work. What's the secret?

Talking about noise distraction, once I tried Beep-edited Richard Pryor videos. The only words you could actually hear were, "I said," and "well, um".

;D

But semiseriously, hatzlocha.

Speaking of hilarious, I read this today:

It's shocking that you need a license to drive a car, but any fool with an erection is somehow qualified to become a father.

Think about that one.
