

Bruce's Battle

OK guys, it took me a little while but I'm finally up on this part of the forum. Most of you probably know who I am by now, so I won't repeat my story. You can find that and a bunch of other stuff at my original thread here: [rehab-my-site.com/guardureyes/forum/index.php?topic=503.0](http://rehab-my-site.com/guardureyes/forum/index.php?topic=503.0)

I will be posting my progress towards 90 clean days almost every day here. Updates will be right before I go to sleep, once the day's victory is secure, or the next morning.

This thread is really for myself. I don't care if no one reads it. It's here to keep me accountable and to help me get there.

So far I have been clean for 4 days. Today will hopefully be number 5.

I truly hate you.

I have never seen or heard those sappy-crap lyrics in my entire life.

If you must know, my computer/internet is screwed up and I can't get online. Which means that I can only access GYE in the very public school library.

No more of that silliness or I'll have to start wiping my vomit from the school keyboards.

If I had it my way, those "artists" (and you) would get some sense and enlist in the METAL MILITIA.

Thunder and lightning the gods take revenge

Senseless destruction

Victims of fury are cowardly now

Running for safety

Stabbing the harlot to pay for her sins

Leaving the virgin

Suicide running as if it were free

Ripping and tearing

On through the mist and the madness

We are trying to get the message to you

Metal Militia

Metal Militia

Metal Militia

Chained and shadowed to be left behind

nine and one thousand

Metal militia for your sacrifice

iron clad soldiers

Join or be conquered the law of the land

What will befall you

The metallization of your inner soul

twisting and turning

On through the mist and the madness

We are trying to get the message to you

Metal Militia

Metal Militia

We are as one as we all are the same

fighting for one cause

Leather and metal are our uniforms

protecting what we are

Joining together to take on the world

with our heavy metal

Spreading the message to everyone here

Come let yourself go

On through the mist and the madness

We are trying to get the message to you
