

Bruce's Battle

Posted by BruceWayne - 17 Jun 2009 14:30

OK guys, it took me a little while but I'm finally up on this part of the forum. Most of you probably know who I am by now, so I won't repeat my story. You can find that and a bunch of other stuff at my original thread here: rehab-my-site.com/guardureyes/forum/index.php?topic=503.0

I will be posting my progress towards 90 clean days almost every day here. Updates will be right before I go to sleep, once the day's victory is secure, or the next morning.

This thread is really for myself. I don't care if no one reads it. It's here to keep me accountable and to help me get there.

So far I have been clean for 4 days. Today will hopefully be number 5.

What!??? I've been slaving away posting inane pseudopsychobabble for the past page or so and this is what you say?

Reb Dov: inane pseudopsychobabble? First, isn't that redundant? And second, why should you put your own stuff down? You got great stuff! No loshon hara against yourself, even in jest, buddy. And that's doctor's orders.

BW: sorry for the brief hijack.... Oh, yeah, and welcome, too.

Hi, brother dude.....really nice to se your name up in lights again. I was just sitting at the computer (its back is to the kitchen table, with everyone milling around) and say you on another thread dated today and called out, "Hey! There's Bruce Wayne!"....my wife is the only person old enough to know that name and asked the obvious question: "is he in GYE cuz of that weird relationship with Robin the young boy?"

(no she didn't)

Dov, you prude you. Robin was of legal consenting age when Batman adopted him as his own "ward." Nothing going on there that doesn't go on in Gotham City about a million times a week. (Although in the East Village they drive Audi convertibles now instead of ersatz-Corvettes with bad body cladding.)

That Alfred the Butler, on the other hand, liked to just stand there and watch. [!!] And handle other people's dirty clothes, without a complaint. And help his master get dressed in the morning. Now, THAT's sick.

Tell your wife she's identified the wrong bad guy. Bruce Wayne is off the hook.

Dov, you have NO idea what I've been through these last 7-8 months. I'll PM you about it when I have some time. Maybe you can send me a reminder PM.

BTW When did I ever do math for fun? I HATE math.

HEY! I was jumping to see your thread on the top of the charts! Missed you man! I am still here and welcome back to you! You want to send that PM about the last 7-8 months to me as well? B"H, I've been doing well. Hit 90 and then after 160 or so had some big falls. You can catch up on my thread. Great to have you back!
