

## OUR TRIP TO THE STATES

---

The long-awaited fund-raising trip is finally around the corner... Me and my partner plan on leaving a few days after Shavuot and we'll be in the N.Y, Lakewood and Baltimore area, be"H, for about a week.

If anyone would like to help sponsor the trip, tickets, taxis, miscellaneous costs, it would be a big zechus - and a big help for us :D (Please use the Paypal options on the right side of the website). Who knows, this may be your **last chance** to donate to GYE... maybe after this trip

Also, anyone who knows any wealthy people who they believe might be warm to helping us grow and could perhaps have some way to get us a meeting with them, please let me know at [eyes.guard@gmail.com](mailto:eyes.guard@gmail.com).

I am in the process of preparing a presentation for the meetings we go to, and I am convinced that any erliche yid that we meet with will be very impressed and convinced that our cause is extremely important.

Thank you for any help.

we'll never need to make an appeal again

P.S. I may be less responsive to e-mails, messages on the forum, etc. in the coming two weeks or so, as I finish preparations for the big trip - and of-course, while on the trip. I hope I can somehow find time to send the daily chizuk e-mails, but even that may not be possible for a day here and there.

P.P.S. Please daven for the success of our trip, as our success is the success of Klal Yisrael in dealing with these impossible tests. **It's all Hashem, all the time.** Please put in a good word for us in your daily prayers. Thanks!

Guard, lots of success ! Just a reminder of some relevant TSA airport rules:

1) no Bayonets allowed in carry-on luggage

2) no more than 3 ounces of Woodford
