starting again after 37 days clean

ok. today i had a fall. my thread up until now is "this time im in it to win it." not this is it. im trying to fight against the anxiety of falling. i think one of the hardest parts of falling is now you have to start all over. but who cares.

im tightening the rules. this time, if i even start to m\*\*\*\*\* i will consider it a fall.

im gona have the filter gabbai turn my k9 into a whitelist by having him block out the keyword ".com" or ".org" and have him place my email and GYE in the exceptions box.....

since it is zman simchasenu instead of being sad, im happy that hashem gave me 37 day (i think thats how long it was) every time a thought of anxiety or annoyance comes to me, i yell at it "kafai tovah" youre denying hashems gift of 37 day

i have more to say but i have mincha to go to

a gut moed

he said:

whatever helps. I'm very impressed with your commitment to constantlt better yourself. May you have siyata dishmaya in your uphill climb

i still feel nervous (idk what the best word to describe it) that i told him. but im also happy that i told him.

day 22, and if you read it backwards, day 22.

now i know that if i have a fall, i have to tell him.

alright guys, i had my teffilen checked (should have been checked during elul but thats a long story) and everything is good..... i got new retuos and now i cant wait till tommorow to wear them (i feel like a bar-mitzvah bachur) and we all know that the shel yad is to combat the desires of the heart and the shel rosh is to combat the fantasies of the mind.....so tommorow when i wear my teffilen....i willl have special kavvana to ask hashem to help me.

world.... i think that cholant would clog the engine....or would it? hmmmmm.... that gets me thinking

beautiful, HS!

there is a story, i think with Reb Moshe Kobriner (it's in Toras Avos - Slonim), about an older man who came to him and said that he feels he has nothing left to live for. the Rebbe said to him "it's worth living for 80 years just to put on tefilin one time".

once you are asking for Hashem to help you, why not include all of us here on GYE? it would be a zechus for your own tefila to be accepted as well.

keep on trucking and inspiring me, chazak ve'amatz
