Mottle tzaddik

Who says u need to make it thru the yyear

Take it one day

One clean day

And keep on trucking

If u do a day

U can do another day

Days add up

Don't focus on years

U will get no where

Days. Minutes. Hours

Banks. Doctors office. Train bus plane ride. Chasauuna. Etc etc

Keep on trucking!!!!

Reb motel, hold it where r u rushing, are u all set with the rest of things till the end of the year, I mean come on, u know what I mean

The ugly YH uses this as a weapon to discourage us from working on ourselves, all the sfurim stress out a very important point in avodas hashem & that's called

1 DAY @ A TIME

Good luck my holy brother, hashem will see ur effort & sure help & reward u
