

ToAdd A journal

Posted by ToAdd - 29 Oct 2010 05:37

---

Today is the first day of a new journey.

Hashem, I have come to realise how weak I am in this area.

With tears in my eyes, I place myself in your loving hands.

Please don't turn away from me. Help me return to you.

Your servant.

Yosef.

Research showed me that tornadoes are actually quite common here.

Who would have guessed?

I feel like I'm back to my normal self.

Be vigilant Yosef - It's when you stand tall that you can fall the hardest.

Day 23

I am feeling pretty odd. Not sure how to describe it...

Disconnected, on one hand wanting to connect, yet wanting to be left alone

I should be happy, but somehow I'm not.

Had a strange dream a few days ago that I shook off when I had it, but an interpretation has come to me.

I pray the interpretation is not correct and it was merely my imagination going astray now that I have been depriving it of its usual subject.

In the dream there were these creatures, like big dogs / pigs, evil looking things.

I went into their lair where the main one lay, wounded, bound.

The others were licking it, healing it, preparing it. The look in its eyes was that it was waiting to be released back into the world.

This soul was ready to bring hell into this world, war, holocaust. There was a single purpose for it, and no mercy.

I wanted to kill it, to drive a stake through its heart, but I awoke.

Please Hashem, I have dreamed a dream that requires healing.

Save your beloved nation from those that wish to harm us.

If this dream is about me only (as I hope to you that it is), please assist me in dealing with whatever comes my way.

Remove whatever evil is inside or around me that I may come closer to you without being preoccupied.

Shield me and my family from any evil beings that I myself have created through my actions.

Yosef.

\*hugs all round\*

I need a drink that has neither coffee nor caffeine.

I've given up cocacola (again). A bit grumpy from that.

Maybe my dream was about the prisoner swap. It makes sense. Monsters waiting to be released.

Perhaps your monster is my monster. Baruch Hashem, we are Hashem's soldiers, soldiers of the light. You shouldn't run away from the monster and you don't have to. Your Name is Yosef, just like Joseph, the son of Yaakov. Joseph is an lwri, he is not of this world, but he is in this world - just like us. Just like Joseph's, our small words, small steps, small actions are healing Pharaoh and rescue the whole nation, the whole world.

Have a great Shabbes!

I have been on a tumble this week.

It's been a bit of a rollercoaster.

I feel like going back to that stuff again and if that feeling's there this early in the morning, if I can not shake it, I will fall.

I will try check in every time I have an urge.

I don't even know what I'm running from now. perhaps it's just all the noise around me - lots of construction going on. That's probably adding to the stress and decreasing productivity which increases stress too, which makes me want to flee to that other world.

I was going to say "to MY other world" but I disown it.

Other world - you are not a safe place for me. you are not a good place for me. You are not real.  
I do not own you and you have no ownership of me. You have no power over me.

Infantry - to the Light!

That may actually be quite theaputic.

Running out the building to the side of the road and yelling out into the traffic -

AAAAAAAHHHHHHHHHHHH.

Yelling on a forum just isn't the same.
