

fresh start

Posted by Sturggle - 06 Jul 2009 19:35

I was on the list before under a different name and I decided to change it. Previously I was "David". I am nearing the end of my 4th day clean. Today was difficult and challenging. Thanks to your help, I have had a filter (K9) on my computer since Thursday afternoon. That has been helpful. Anyway, happy to be on this journey of sobriety. I'm not so sure how much to disclose about myself and what to write on these forums. I hope to make use of them, though. I have needed, do need and will need help and support.

what's the big smile for?

I'm actually doing pretty well, tG.

I am getting some things done that needed taking care of.

Oops, I'm actually on GYE now and that's not one of them...

Well, maybe it is.

Either way, thanks for asking.
