

fresh start

I was on the list before under a different name and I decided to change it. Previously I was "David". I am nearing the end of my 4th day clean. Today was difficult and challenging. Thanks to your help, I have had a filter (K9) on my computer since Thursday afternoon. That has been helpful. Anyway, happy to be on this journey of sobriety. I'm not so sure how much to disclose about myself and what to write on these forums. I hope to make use of them, though. I have needed, do need and will need help and support.

i have had a lot ive wanted to post over the last number of days,

i havent had much access to the forum.

B"H, I'm doing alright.

life still has its ups and downs.

am somewhat charged from YK,

but i know for me that can go pretty quickly.

after being away for a few days,

it is difficult for me to start posting again right away.

for now, thank you for your good wishes over the past number of days.

it really meant a lot to me.

i had a few things i wanted to say about 40,

def special significance going into YK.

well, it's behind us, moving forward now...

i just read letakain's post about the boy getting drunk on purim

it brought tears to my eyes

rage, my face shined after i read your post

you see,

i wanted to run away from home,

in the end i felt i had nowhere else to go so i came back,

but back wasnt always good for me

and i was stuck, i got stuck and im only starting to realize that now

ive been stuck for so long, how do i get out?

i wanted to say thank you,

cause its been a long time (if ever)

since ive felt comfortable coming home to share my true feelings

and express my real thoughts...

maybe im getting somewhere...

Not maybe Sturggle.

I see such a difference in you over the past few weeks.

I hope im right in thinking that even when you feel down, the dips are not quite as deep as they used to be...?

But either way, youre right. Home is here waiting for you with open arms of acceptance.

sorry mom, you can keep hoping...

im just part of some accountability group

and i have all these ppl who id have to come clean to

and guard made me a deal

and someone made a \$90 pledge

so, im still clean...

maybe shorter lived,

but guard is not the only one who can be deep around here

You don't want to fall. The yh wants you to fall. It is all a powerful illusion!!!

Dear Sturggle/Struggle,

Please don't allow yourself to fall any further. There may have been some mitigating circumstances this time around that won't apply next time.
