

fresh start

Posted by Sturggle - 06 Jul 2009 19:35

I was on the list before under a different name and I decided to change it. Previously I was "David". I am nearing the end of my 4th day clean. Today was difficult and challenging. Thanks to your help, I have had a filter (K9) on my computer since Thursday afternoon. That has been helpful. Anyway, happy to be on this journey of sobriety. I'm not so sure how much to disclose about myself and what to write on these forums. I hope to make use of them, though. I have needed, do need and will need help and support.

It seems that Sturggle really is a jet plane. When he's up, he's shooting through the skies making us all go "WOW" and inspiring us to reach for the skies as well.

When he's down though, OUCH! (You don't want to be in a jet plane that goes down)

Common Sturggle, ignite those engines once again!!

P.S. Soon we'll have to send out a search and rescue team... I hope we'll find more than a black-box.
