

fresh start

Posted by Sturggle - 06 Jul 2009 19:35

I was on the list before under a different name and I decided to change it. Previously I was "David". I am nearing the end of my 4th day clean. Today was difficult and challenging. Thanks to your help, I have had a filter (K9) on my computer since Thursday afternoon. That has been helpful. Anyway, happy to be on this journey of sobriety. I'm not so sure how much to disclose about myself and what to write on these forums. I hope to make use of them, though. I have needed, do need and will need help and support.

whoa, let's chill...

i know rage likes joking around,

Rage is one of the most sane people I know! Please don't confuse incoherent with sick!

sometimes i even like to do so myself,

so lets not blow any of his or my comments out of proportion.

and rage, im not sure shutting up is one of your strong points,

so good luck,

but id rather you dont even put so much effort into it,

theyre other things much more worth fighting for

hey.

having a bit of a rough evening in my head.

figured saying hi would be helpful.

this is me reaching out and not staying closed within myself.

i hear ya bro...the sad thing about us addicts is that we are denied the basic human right to retreat inward when we want to...most people can get inside their own heads, hang out there a while, peace out and leave...our heads are too toxic to spend any time in...the good news is that theres a lot of good life waiting outside too...

...just wanted to quote it cuz I haven't heard it said better!
