

fresh start

Posted by Sturggle - 06 Jul 2009 19:35

I was on the list before under a different name and I decided to change it. Previously I was "David". I am nearing the end of my 4th day clean. Today was difficult and challenging. Thanks to your help, I have had a filter (K9) on my computer since Thursday afternoon. That has been helpful. Anyway, happy to be on this journey of sobriety. I'm not so sure how much to disclose about myself and what to write on these forums. I hope to make use of them, though. I have needed, do need and will need help and support.

Hey Letakain i dont think that donuts will do the trick. I think you need something more like a pickle to keep him here.

GUT SHABBOS!!

GUT CHODESH!!

FREILICHEN CHANUKAH!!

ZOIS CHANUKAH!!

I was thinking, there is no coincidence that Chanukah falls out when it does. In the smack middle of the winter. Literally lighting up the night. B"H, for those of us in Eretz Yisrael, we have seen what winter means in the last day or so. Chanukah is the inner light that shines in the dark. I feel that this is a huge message. This is what we all go through. Dark times. And we struggle, yes struggle, to get through them. Let us all remember, the light is there! It is inside us! May it shine through for us whenever we need it!

AND 25, thanks for the welcome!
