

The life of a soldier in hashems army

Posted by mnman415 - 16 Nov 2010 03:54

my last thread was called starting over after 37 days and the one before that was called this time im in it to win it.

very quickly. im 16. got into this at 11 years old. always said ill stop after my bar mitzvah. in 8th grade i talked to girls. in summer going into 9th i decided to stop talking to them because i felt guilty about m*****. skipping ahead. here i am now as an addict. a teenage addict trying to get close to hashem.

the only way i can do it is with his help, without hashem i am helpless.

so here is what we are doing. we are DAVENING 3 times a day. not saying the words but talking to hashem. if possible, talk to hashem often.

filling my day with as much torah as possible.and maintining kedusha. thursday nights i will try to exercise to get rid of some extra hormone buildup. and get rid of sexual energy.

there is so much more to do, but this is the main outline.

today was day 1. it was good, i was careful with my eyes. i learned a lot. i feel really good. i just decided. by next schoolyear, going into 12th grade, i WILL know how to learn. im still pushing myself in shiur. but out of shiur, i am taking a jastrow (dictionary) and learning torah. i am learning the entire masechta bekiyus that we are doing in school. we are only going to cover 20 or so dafim of gemorah so i am doing thr whole thing. over the vacations when i have more time i will try to learn how to learn be'iyun. but i first need to get down the basics.

anyways. i feel really pumped to keep going and really make it to 90 days this time. and with hashems help and only with his help will i be able to make it.

Hi HS -

Read most of the thread -

Do you realize that you are probably from the 1/10,000 of high school kids even trying to fight this!!! In Shamayim they look down and say "Look how the world is sinning.. Teenagers in FB, meeting up at parties, watching porn, getting drunk.. The world really is falling apart!! NO WAIT!! There is someone that its worth keeping the world going for. Look at HAsheems Soldier on GYE!! Not all is lost!!

Keep it up!! You really are a special person

Sometimes a member is put in a certain category, like "Married"... In such a case, I set each group to have a certain amount of stars. Once you are in a group, the amount of stars no longer reflects the amount of posts.

today is day 9!

baruch hashem!

i saw someone in the streets today that triigered my allergic reaction to lust, im coming here to connect to my family here at gye and like a did a while back, make a statement.

i am hopeless by myself. ive made so many attempts at stopping by myself. im powerless to my lust addiction, one of the thousands of things i used to say to myself is that after my bar mitzvah when im chayiv in mitzvos ill definatly stop and here i am, 4 years after my bar mitzvah and im still struggleing, i cant do it by myself.

but i know someone who can help me,.....hashem. hasehm has the power to restore my sanity. so im going to ask hashem and try to connect to hashem to help me get through JUST through today! tommorow is a different issue

YOU'RE SO LUCKY!

I didn't get here until about 23 years after my bar-mitzvah. Thank G-d, I'm getting better here. And, you've got a huge head-start.

thank you eye

one of the most scary things about this for me is that if i dont really work on it now i will have it when i get married and im really scared of that. even though im only 17, the time for shidduchim is coming fast, in 5 years ill prob be ready for shidduchim. but its very helpful wehn ppl tell me ho lucky i am for working on it now and not later.

so thanks!

a gut voch

my mom just got a cleaning lady and today was her 1st day and she was very attractive, i had a big big big struggle, i would consider it a very big slip,

something that helped besides surrender was realizing that i wasn't sane. like the 2 program says that we came to believe that a higher power can restore our SANITY, cus i know how bad a fall would be and yet my INSANE mind still wants me to have a fall.

Pardon the bluntness.

...but I kind of see a pattern here...

When you're about to fall, you usually post about slips and how you want to have a fall.

Then you post about your fall.

Just remember:

You are posting about your slip and difficulties in order to try to regain strength to stand tall.

You are not posting about slips etc. in order to give yourself "permission" to fall.

Anyhow KOT. KUTGW!

i was posting about my struggle, and how i came close to falling and then i connected to the program and how it helped me,

like i had a difficult situation, and i even started to slip very badly but once i connected to the program it helped me.

and thats why i posted, to tell you about how im doing and to connect to the chevra here to get out of isolation.

and just sayng, i didnt have a fall, it was only a slip to be mechazek myself with and know for next time i need to be repared and already cnnected with someone in order to save myself.
