

The life of a soldier in hashems army

my last thread was called starting over after 37 days and the one before that was called this time im in it to win it.

very quickly. im 16. got into this at 11 years old. always said ill stop after my bar mitzvah. in 8th grade i talked to girls. in summer going into 9th i decided to stop talking to them because i felt guilty about m\*\*\*\*\*. skipping ahead. here i am now as an addict. a teenage addict trying to get close to hashem.

the only way i can do it is with his help, without hashem i am helpless.

so here is what we are doing. we are DAVENING 3 times a day. not saying the words but talking to hashem. if possible, talk to hashem often.

filling my day with as much torah as possible.and maintining kedusha. thursday nights i will try to exercise to get rid of some extra hormone buildup. and get rid of sexual energy.

there is so much more to do, but this is the main outline.

today was day 1. it was good, i was careful with my eyes. i learned a lot. i feel really good. i just decided. by next schoolyear, going into 12th grade, i WILL know how to learn. im still pushing myself in shiur. but out of shiur, i am taking a jastrow (dictionary) and learning torah. i am learning the entire masechta bekiyus that we are doing in school. we are only going to cover 20 or so dafim of gemorah so i am doing thr whole thing. over the vacations when i have more time i will try to learn how to learn be'iyun. but i first need to get down the basics.

anyways. i feel really pumped to keep going and really make it to 90 days this time. and with hashems help and only with his help will i be able to make it.

thank you,

everything has been hard.

i just need to keep living just for today and asking hashem for help.

its hard cus those slips are the start of a slope, if i dont rely on hashem, it will be bad news, i need to connect to the program.

so far i think this summer in regards to lust has been the best summer ever.i think ive only had a couple falls despite the fact that there is tons of pritzus al over, and that i dont have a set schedule.

and summer (vacation) is over very soon

and today is 28

and today i havnt had any slips, but im not free yet, i have had moments that i wanted to slip/fall

a couple times when i wanted to slip, i went to write the megilah instead

Looks like we're broadcasting on the same CB channel...

*How long did you think about that before you hit the nail on the head?*

Zoiks! That is a very subjective answer.

Zichron Moishe or Mea'ah Shearim?

Itzkowitz or Beis Hillel?

Shomrei Shabbos or Landau's?

Zichron Shimshon or Satmar?

probably enough time to chap a shteiblach mincha

Sloatsburg or Woodbourne?

And of course it depends on:

a. The Chazzan

b. The oilam's shtiller shmoine esrei

c. How long it took for the minyan to gather

and parking, the pre-mincha-coffee, the post-mincha-pashkevilin-scan, meeting your neighbor from 10 years ago who's name you have since forgotten and try to fake it like you remember him, and the old dilemma of whether to ask him if he is part of GYE
