

The life of a soldier in hashems army

Posted by mnman415 - 16 Nov 2010 03:54

my last thread was called starting over after 37 days and the one before that was called this time im in it to win it.

very quickly. im 16. got into this at 11 years old. always said ill stop after my bar mitzvah. in 8th grade i talked to girls. in summer going into 9th i decided to stop talking to them because i felt guilty about m*****. skipping ahead. here i am now as an addict. a teenage addict trying to get close to hashem.

the only way i can do it is with his help, without hashem i am helpless.

so here is what we are doing. we are DAVENING 3 times a day. not saying the words but talking to hashem. if possible, talk to hashem often.

filling my day with as much torah as possible.and maintining kedusha. thursday nights i will try to exercise to get rid of some extra hormone buildup. and get rid of sexual energy.

there is so much more to do, but this is the main outline.

today was day 1. it was good, i was careful with my eyes. i learned a lot. i feel really good. i just decided. by next schoolyear, going into 12th grade, i WILL know how to learn. im still pushing myself in shiur. but out of shiur, i am taking a jastrow (dictionary) and learning torah. i am learning the entire masechta bekiyus that we are doing in school. we are only going to cover 20 or so dafim of gemorah so i am doing thr whole thing. over the vacations when i have more time i will try to learn how to learn be'iyun. but i first need to get down the basics.

anyways. i feel really pumped to keep going and really make it to 90 days this time. and with hashems help and only with his help will i be able to make it.

Daven and then decide if you hurt him in some way. If not then it might be good to write him a short note and leave it on his talisbeitel or table in an envelope asking "Are you not speaking to

me, Reb_____?" It seems that way to me.Can I help you?" signed yourself ("Hashem's

Hatzlocha!

Soldier" may coinfuse things a bit...

the point is that i thought that it might be more than a litle hurt or feeling of beign ignored.

i thought that it must be self esteem issues or etc.

Just make sure to avoid the "dangerous scenery" that can cause other kind of A&W (Ach 'n' Way) moments.

HS, you are better than Thomas Edison, it took him a few thousand tries before he was able to

all those feathers reminded me of a story i read yesterday in Reb Shlomo Freifeld's biography (*great book, btw, not the regular gadol biography who knew shas at age 5 and never looked back from there*). He was a great admirer of the Ribnitzer Rebbe zt'l, who was known as a great *baal mofes*. Reb Shlomo would want to hear stories about the Ribnitzer's *mesirus nefesh*, not his mofsim.

Under Communist rule he would encourage the Jewish housewives to bring him their chickens so he could *shecht* them according to halacha and as an incentive he offered to feather any

where can i get those feathers?

i used up almost all of mine. only have 5 left for 6 amudim.

(btw if i really knew how to make a kulmus i would only need about 5 or 10 vto make a meggilah.)

If you can wait, there is a minhag in Bobov where all bochurim wear a feather (all sizes and colors) in their hats on Shushan Purim.
