Today was a hard day for me. I almost fell three times, but I'm still going. I will update in this thread.

I can't believe how long it's been since I posted here. To be honest, I was overwhelmed by the fact that I couldn't keep up with all the posts here. So here is the quick update on my situation. I started my journey here on November 20th, and since then I've been almost 100% clean. I have had a couple slips, but I had been clean for so long that they didn't have much of an effect on my general attitude. My shmiras ainayim is getting pretty good, and when I look up at where I was almost a year ago, I can't help but be amazed: at myself, but more importantly at all of you and at the growth of this forum. I really hope all the young (and old) guys who need this site are able to find it, because my life took a steep turn for the better after I found it, and I only wish I had found it earlier. Rosh Hashanah without loads of guilt and porn going through my head.... ahhh... PRICELESS.

Just popping in for a quick update!

No challenges yet (since Yom Kippur). My goal is to have a completely clean year (Yom Kippur to Yom Kippur), so I will be updating this thread as often as I can to make sure I don't slip up...
