A Battle-Log. Great idea.

Each member of the chart should make their own thread on this board and do as you are doing.
Good Job!

Battleground is eerily quiet...the YH is planning his attack...waiting for my guard to slip.

Day 7 completed.

WOW! whata Kiddush Hashem. It's good to be ready for the Yetzer Hara's attack. Convince yourself that you will win at all costs, and you will win! A lot of this battle is in the MIND!!!

Convince yourself that you simply do not masturbate anymore. It's just not something that you do. It's your mind! manipulate it to work in YOUR favor!

Chazak V'Ematz!
