GUE and everyone, you have no idea how much your encouragement is helping me...

Days 15 & 16 are complete...

The filthy YH has retreated for now...I'm anticipating that it will attack again on Day 18, the day I tie my all-time record.

Be'ezras H` I will have the strength and the will to fight him off...and surpass my previous record.

It is davka in the zechus of your previous record that you will be able to go much further this time! Every time we hold back is priceless. it never goes to waste. hashem adds it all up, and when you've tried long enough and hard enough - Hashem steps in and you succeed. We're all rooting for you holy Postal!

During the past couple days, the desire to act out felt stronger than it has ever been...it was hard to think of anything else, hard to learn as well.

So far this streak has been pretty easy...but these last couple days have been truly painful...

Don't know how much longer i'll hold it off...i must pray for strength

But i've prevailed so far...despite the YH's biggest assault yet.

Day 19, 20, 21 Complete!

After a couple rough days...i've realized that i got a little too confident. I let my guard down just a little bit...but it was like adding fuel to the fire

My guard is back up....Day 22 & 23 complete.

Ashrecha Postal.

Remember yesterday's chizuk e-mail from Elya - focus on Recovery, on good things, on flowing with life - not on FIGHTING against life.

You're doing great. At any given time, Hashem has a small army in this world, fighting for good against all odds, and you are definitely part of it now, giving him great Nachas Ruach. Be proud that you are giving the master of the universe joy!

The Tzadikim in this section of the forum are shaking the heavens.

I want to ask each of you to please daven for me and my kids. (Being that the main reason that I

am so careful about being identified, is to protect the honor of my parents and my wife, I'm sure that I won't lose out by not giving names. So just say battleworn ubanav)

Thank you very much and CHAZAK VEEMATZ!!!

failed after 27 days...sigh

feeling embarrassed and ashamed of myself...i shouldn't have let it happen....i fear the suffering this will cause me

yet at the same time...i'm invigorated and am able to quickly pick myself up...i'm doubling the intensity of my learning, prayer, and tshuvah...and improving other areas that i have been less than scrupulous in my service of Hashem.

...and even more determined to break that record and beyond...

...will write back after 3 clean days.

That's a soldier! Ready to face the heat!!

Learn from the fall. By doing that, you uplift it and turn it into Zechusim!

Is your internet filter STRONG?

Don't let the fall get you down. Battleworn just posted some AMAZING chizuk on this topic.  
[Check it out here.](#)

Hashem loves you. Keep up the honesty. That is one of the important ingredients in recovery.
