He entices us to sin, and then he comes back to be M'katreg on us. He tells us how good it is going to be, and then when we liisten, he sits on the side of the prosecution. But, what does Rebbie Nachman teach in the L'kutei Moron? ???? ??? ????....??? ??? ????? When every day we do vidui, and we tell Hasham I did this today, I looked at that yesterday, I

thought and wanted to do this and that. Yes, we mention ALL of the details to Hashem, EVERYTHING that we did or wanted to do.....then we have this gift from above, that...

When YOU are judging YOURSELF, i.e. making the Din here in this world, so, then there will lOT be any judgement to take place in the upper world, (where the menuval is sitting). Do this very day.

Question: Does the YH (the angel sent by Hashem) only accomplish its mission when its overcome each time? I thought i remembered reading about this in regards to Yaacov defeating Esav'a angel, and once the angel was defeated it could go back to Shamayim and sing Hashem's praise.

...if so, this is definitely an important insight into the YH to keep in mind when he attacks.

The Zohar gives a parable of a king who wanted to test his son's loyalty, so he paid for a prostitute to try to entice his son. The prostitute will do her best to make the king's son stumble, but deep down she really wants that the king's son should refuse her, for she too is a servant of the king and wants the king to truly be happy.

You are right! It is helpful to remember this parable, and to realize that the Yetzer Hara is also really a servant of Hashem. Deep down, he is happy when you refuse his destructive seducing! Realize that life is all a test of our loyalty, and of how much we are really willing to sacrifice for 0 d.

Chart updated! Keep battling the forces of darkness in the world. Each time you don't give in to the YH, you could be saving a life in israel from the forces of evil! We need warriors now more than ever.
Everyone, learn from these great soldiers who never give up!
