WOW 7 month past since my last post

I have joined the SA program, under with a very serious sponsor

WORKING step 1, i have written a few thousand words and only covered 10% of the topics

thanks GYE you got me to the program

it took me a few years to realize that **you can not recover without working the steps**

Wow day 60 It's really a special day for me I have never been so far  
I am so grateful to Hashem for the help he is providing with the whole fellowship it is amazing  
Without 12 steps it did not work for me.  
I am only at step one, for 60 days and it is opening my eyes heart and mind. To understand my  
situation. Which in return helps me relate to my feelings in a healthy manner  
Thanks Hashem, Gye fellows and addiction.

Keep at it, don't think so far ahead. One day at a time is not a cliché, it's a way of relating to life.

Dear fellows

Thanks to God and the great group he provided

I now have 66 days of sobriety

I think that I never reached this number

1 day at a time

Thanks for all the encouragement

Thanks for letting me share

In fellowship

How is it going these days, amigo? You must be nearing seventy days and about to get a special email from Reb Guard marking the occasion?

Every day sober is special, but cumulatevely they have a joint impact. (Just like counting the omer, each day gets a separate brocho, but they only bring you to matan Toiro when you have all 49 together).

Hatzlocho and gut Shabbos!

Hey Mottel

Just a friendly reminder

you get to *Matan Torah*, even if you did miss a day or 2

How ever the more the merrier
