

Duvid Chaim's 12-Step Phone Conference: New Cycle

Posted by obormottel - 15 Oct 2015 04:36

Duvid Chaim Launching the 15th Cycle of his successful 12-Step phone conference!

Are you asking yourself any of the following questions:

I'm sick and tired of feeling TRAPPED IN LUST. I've stopped before - had some sobriety - but always seem to fall back into it again and again. What can I do to finally STOP?!

or

I've already worked the 12 Step Program. I think I know what it's supposed to do for me. But it doesn't work! This is so frustrating. This Program will never work for me! Is there any hope for me?!
