

The Shlichim of GYE

Posted by the.guard - 26 Jan 2010 19:01

So for the first year or two, I was doing GYE work by myself. But as we grew, it became necessary to start spreading out the work. Besides for not being able to handle it all any more, more and more people were enthusiastic about what we were doing and wanted to help out.

Below is a partial list of some of the GYE Shlichim and the tasks that they undertook to help us with. (I say "partial" because there are certain undertakings that need to stay anonymous and cannot be revealed here). Please let me know if I missed anyone...

If you see a task below that you feel you can help with and want to undertake to be part of, let me know and I will bl'n add your name to the list!

And of-course, if you can think of any other tasks not mentioned below that you feel you can help with, please let me know!

GYE is no longer only "my project". B"H it has grown and become "Klal Yisrael's Project"! :D

Poor man

12-Step Back to Basics Weekly Phone Conference: Boruch

I havent heard from Boruch in months and I was in his 12 step group. I got an email from him one day in like early November saying he had to drop the group and never heard from him again. Anyone have any idea what happened to him or anyone have his personal phone number (i.e Guard or anyone else)? I'd like to get in touch with him to see what he's up to.

A couple of corrections and comments

First of all this confirmed what I suspected all along, that Guard doesn't do anything.

Forum Moderators (who actually monitor and fix when necessary): Kedusha

define when necessary.

Women's forum Moderator: 7Up

there's nothing moderate about her.
