Good news - Lots of progress B"H

_____

After 5 trips abroad in the span of the past year, we decided it is time to really get down to work... Although I may not have time to be on the forum very often these days, me, my partner, and our other helpers are B"H working full speed ahead. See this locked thread for our weekly updates.

Please use *this* thread for your feedback, which we'd love to hear!

I am not alone- stick to your name. Never be alone. To be on this site does not mean you are not clean all it means you want to be clean. And i hope that "want " will always be with you. If I may suggest - dont leave until you have a min. of years under the belt. I've tried it and i needed to come back. And yes i had more then 1/2 yr clean.

Just shearing my thoughts..

Keep on going my friend.
