Posted by the.guard - 20 Aug 2011 21:37

Please distribute the following flyer, le'zikui harabim. [Click here](#) to download it.

If you would like a slightly less "explicit" version (instead of "Caught in the Shmutz?" it says "Caught in the Dark Side?") [Click here](#) to download it.

Please help us save lives, marriages and Yiddishkeit - and earn a zechus for your own recovery - midah kinaged midah!
