

Add Your Name and Prayer for the Kosel

Posted by the.guard - 26 Feb 2009 22:00

Ykv_schwartz is planning a trip to the kosel on Sunday again. (Anytime anyone has a chance to go, they can post in this thread).

Currently, the following names in Yaakov's list are as follows:

Guardureyes, Shomer, MD Ashdod, Benyamin6766(ben), baruch hu ubaruch shmo, phillip, someone, pahut yid, ykv_schwartz(me), habib613, joeyman, momo, Ano Nymous, be holy, mevakesh hashem, battleworn, jack, bachur28, getting help, yossi_mords, wewillnotbeforsaken, boruch, struggling_woman, Elya. PostalServicio, Chazak, ME, MW, Net, chasdei avos, me2, snibril, andsm1, battleworn's son.

If your name does not appear above, post your name below. If you have a special request to daven for, post about it here.

There's nothing as precious to Hashem as all these names of Hashem's front-line soldiers!! I am sure when Yaakov just says these names, the WALL will SHAKE.

B"H, I made it to the kosel today. I said kepital 3, 51, 54. I davened to Hashem that all people on this forum who keep falling should get the inner strength and wisdom to conquer the yetzer. Those that have already broke free, should be zoche to maintain it, contunue to grow and do proper teshuvah. And those people that do not even realize how bad it is, should be zoche to hirhurei teshuvah and act on them.

The following names have been recited:

andsm1, Ano Nymous, bachur28, bardichev, baruch, battleworn, battleworn's son, be holy, chasdei avos, Chazak, ben, Elya, Eme, Guardureyes, getting help, habib613, jack, joeyman, LOYNATA HOILECH, MD Ashdod, ME, me2, mevakesh hashem, momo, MW, Net, pahut yid, phillip, Shomer, snibril, PostalServicio, someone, struggling_woman, ykv_schwartz(me), yosefyakov, yossi_mords, wewillnotbeforsaken

and for all the users of this site, as well as anyone Jewish that doesnt know of this site yet.

B"H I made it to the kosel today.

Unfortunately, due to some major tzaros that were going on in my extended family and close friends, I did not have the opportunity to fully daven for everyone. I really needed to focus on these inyanim during my tehillim.

HOWEVER, recently an unbelievable warrior joined our ranks. This member's teshuvah can have a major impact on all of GYE and all of klal yisroel. I felt the urge to daven for this member. To assist this member, I recited kepital 56 **SEVEN** times with great emotion. Every time I read pasuk 2 and 9 I cried.

So while I was not able to have all the member's names in mind, we will all benefit greatly from this person's teshuva.

Lover of all Jews,

Yaakov
