

Looking for someone to finish translating the Attitude Handbook into Hebrew

Posted by the.guard - 29 Dec 2009 11:44

---

We're looking for someone to finish translating the Attitude Handbook into Hebrew - a tremendous Zechus!

So far, one person translated the introduction and the first 6 principles. It can be downloaded [here](#), as a PDF. It is called ?????? ???????

This person has since found a job and can no longer continue the translations.

Tizku Le'Mitzvos!
