

Men and Women's forums are now seperate

Posted by the.guard - 10 Jan 2010 14:51

Due to some serious breaches in Tzniyus that I am not at liberty to divulge, and after consultation with experts, it has been decided that the men and women's forums on GYE will now be completely separate. Men will not be allowed access to the women's forum, and women will not be allowed access to the men's forum.

We would also like to re-iterate that posting e-mail addresses and telephone numbers is forbidden on the forum. Instead, PM's should be used (between each gender separately).

We apologize for the inconvenience - and just so that no one should get wrong ideas, let me state that it has nothing to do with our dear women members, 7Up, Habib, Trying, Letakein and theOne.

We'll see.

There are a lot of people here who clearly feel that people like me are children, and not as good as them. They want to be separate. I don't know if i want or need to face that every day. I hope to have my party soon enough...but it'll be with people who want me.

HOLD ON A SECOND!!!!

You can't be serious!!!

Are you telling me you are insulted by the new forum?

It was made to *protect* the singles, not piss them off!!

Wow so far these separations have induced mass fallings and some pretty insulted members.

keep up the good work!

BTW SB if it was anything I said, it wasn't meant. I never say anything insulting seriously.

(Unless I'm insulting Rage)

If you really feel this way, then there are others as well, and the whole things not worth it.

SB, I am sorry but you are SERIOUSLY taking this too hard and too far.

There are not even any freekin' POSTS yet on the married men's board, for goodness sake. It is EMPTY.

I believe we'll have maybe one or two threads added there a week.

It has nothing to do with "not wanting you there".

It is made for very specific kind of discussions that a married guy would simply not feel comfortable talking about in a forum that is mixed with many single guys, some of them young.

And anyway, I gave you **full** access to the married guy's forum because you seem to feel you would gain from that.

Get **over** it man.

Well sai Trying. There are always 2 options when a decision is made against your will and you really have no control over it. We can accept that it is Yad Hashem and Hashem would only do whats best for us and therefore accept this as a good thing moving forward. Or we can let the resentment of this decision build up in us, get angry at whoever comes in our way throughout the day, and put on our bitter glasses (casue thats really what youre looking at the world through).

The bottom line is either way, the decision is made. We can look at it positively or negatively. But we decide how to look at it. Which do you think is better for our addictions?

Hmmmm.

I feel like this an appropriate time to remind everyone that I like guns.

Big guns.

I got to shoot one with an 8 inch barrel the other day.

A handgun.

Talk about kickback.

And small guns.

Middle size guns.

Basically, any sort of Arab-repellent (when used in the correct quantity)

Just reminding.

That's all.

Do me a favor, can you raise your blinds just a drop more?

I hate body shots, far too messy.
