

Men and Women's forums are now seperate

Posted by the.guard - 10 Jan 2010 14:51

Due to some serious breaches in Tzniyus that I am not at liberty to divulge, and after consultation with experts, it has been decided that the men and women's forums on GYE will now be completely separate. Men will not be allowed access to the women's forum, and women will not be allowed access to the men's forum.

We would also like to re-iterate that posting e-mail addresses and telephone numbers is forbidden on the forum. Instead, PM's should be used (between each gender separately).

We apologize for the inconvenience - and just so that no one should get wrong ideas, let me state that it has nothing to do with our dear women members, 7Up, Habib, Trying, Letakein and theOne.

I daven for everyone on GYE, every day.

I just want to tell all the ben Torahs on this forum(thats all of you guys posting, b/c if you didn't care about doing the right thing you wouldn't be here), that you are crazy holy, and since I've seen the dark side of guys too often, I can now appreciate your holy sparks flying out of neshamot. While the "cool" lustful guys are appealing for a moment, they ARE NOTHING AND THEIR YH IS A FLIMSY PIECE OF PAPER, WHILE ALL OF YOU GUYS ON GUE, YOUR YH IS A HARD CORE BLACK DIAMOND OF A MOUNTAIN!!! Ill miss you!

yearning, if i can leave you with one thing: leave all this holy, shmoly, neshamos, sparks bullshit for the rabbis...get yourself right in the head...this isnt about ben torahs this and bat yisraels that...this addiction will kill you...do you understand the words that are comin out of my mind...you will die slowly and painfully...

uhhhhh, im speechless. RATM I wrote that b/c after doing the worst things with the worst guys and not having a hint of bas torahness in me, I realize the truth now. If you know me youd know im not the "baruch Hashem every second type" so what I wrote came straight from the heart. I see how hated I am on the forum. take care guys, IM outtie

RATM I wrote that b/c after doing the worst things with the worst guys and not having a hint of bas torahness in me, I realize the truth now.

That's not true at all. You, yearning, **always** knew the truth, and you now know the truth no better than before. Truth never healed an addict. That's what RATM is saying. Truth doesn't help us. Talking about holy shmoly sparks and kedusha never helped us. As Dov recently posted:

A Torah lecture is about the Truth, **not** about personal experience. And we heard Torah lectures before we were in recovery, too. But what we never had was *the truth about ourselves*. Once we started to get that, we could begin learning how to live with the Torah.

RATM is right. And he is just trying to get you to see this truth about YOURSELF.

Yearning,

Please don't go like that - **you are not hated!!**

Ppl may disagree, but don't take it the wrong way, *PLEASE*.

To recover and be free from this thing that has tried to ruin your life, ***you must have a positive outlook about yourself***. PLEASE stay in touch with 7UP & the girls, don't quit, and consider getting into one of the anonymous 12-Step Programs. It is the best way to get to freedom. If you can do it, YOU WILL SAVE YOURSELF AND LIVE A LIFE FREE OF THE DESIRE TO LUST. You will also GROW CLOSER to Hashem, and find a more FULFILLING AND HAPPIER LIFE than you thought possible before.

Duvid Chaim is starting a new one in Feb.

For the rest of your life, YOU have the zechus to have helped, and yes it's a zchus to have been helped, by so many ppl here on this board. YOU have made a difference in the lives of so many. And you have come a LOOOOOOOOOOONG way from the bottom of the cliff, to this particular cliff hanger.

May HKB"H guide you to find inner peace and security, to live a better and HOLIER life, free to feel safe in Hashem's arms.

G-d Bless you, Yearning.

Ladies, in case she's not looking anymore, please email this to her for me.

Is it possible to try watch what we type into the forums? Some people may not care what words they see on the screen but others might not want to see them in order to not desensitize ourselves to the shmutz that is out there.

I would also like to say that Rage: you are coming off too harsh to such a delicate mind. Y4P is doing a great job in her recovery. She seems to be at the beginning stages and some people cant handle that kinda talk when when they might unstable as a delicate individual in recovery. We need to be carefull to recognize WHAT we are saying and WHO we are saying it to.

Thanks
