

Men and Women's forums are now seperate
Posted by the.guard - 10 Jan 2010 14:51

Due to some serious breaches in Tzniyus that I am not at liberty to divulge, and after consultation with experts, it has been decided that the men and women's forums on GYE will now be completely separate. Men will not be allowed access to the women's forum, and women will not be allowed access to the men's forum.

We would also like to re-iterate that posting e-mail addresses and telephone numbers is forbidden on the forum. Instead, PM's should be used (between each gender separately).

We apologize for the inconvenience - and just so that no one should get wrong ideas, let me state that it has nothing to do with our dear women members, 7Up, Habib, Trying, Letakein and theOne.

I think the girls have already said that if you request it, they won't read your thread...

Guard,

Do you think the fact that the women can still read this will keep us somewhat restrained in our

posts to keep from offending them? After all, women are more sensitive than we are to everything. All I'm saying is that, even though it's a men's only zone, we're going to have to hold back on the "guy talk" if we know that the women can still read this, but they can say whatever they want over in their corner.

What do you think?

Na. I doubt that's an issue.

Pretend they can't read it.

Just be yourself.

:-*

(see, I just posted a kiss. If the women were reading this, i couldn't do that. But I am ignoring the fact that they might be)

"la la la la la" **fingers in ears**

?

Sometimes I just don't get you, Guard.

BTW where I'm from, men don't kiss each other. MAJOR no-no.

In Yeshivos, it's done by many on special occasions (e.g. kissing the Chasan at his vort or Chasunah).

I just experienced that at a vort recently. To put it mildly, I was quite surprised to be kissed by a virtual stranger. But once he explained that it was something "people do," I just said to heck with it and that was that :D

What are you going to do....

Your two choices are:

1) Hang up a huge sign which says "DO NOT KISS THE CHOSSON" (an announcement wont work, because people can show up later)

2) Spend your entire wedding ducking

Your just going to have to face the kisses, sorry bro :D

Silentbattle, you can't leave us. Besides being our friend, how will I contact you if I get to my next milestone? Don't forget, you pledged 100 bucks on me!

You already owe GYE 10 bucks.

In all seriousness (This would be my first serious post of the day) the one place where men and women were not separated in this site, is the 90 day chart.

There are some very important names conspicuously absent.
If I can make another 10 days, you'll owe another 15 bucks.

Habib?

Trying?

Letakain?

Yearning?

Where the heck are you?

And rage why are'nt you there either?

Rage is back up Girls where are you?

I think Batman *would* be a bit oversensitive to that sort of thing, being that they politically-correctly did away with the entire "Robin, Boy Wonder" hot potato.....

Can I be funny? addonno

In a discussion with Reb Shlachter about how hard this split was for many gals/guys, he explained to me....

...and i wonder, why have we abandoned rabbi twerski (who sanctioned it btw) in favor of rav schlachter...

When did R' Twerski say the split was a bad idea? Do you mean the fact that he said it was ok to begin with?
