

Men and Women's forums are now separate

Posted by the.guard - 10 Jan 2010 14:51

---

Due to some serious breaches in Tzniyus that I am not at liberty to divulge, and after consultation with experts, it has been decided that the men and women's forums on GYE will now be completely separate. Men will not be allowed access to the women's forum, and women will not be allowed access to the men's forum.

We would also like to re-iterate that posting e-mail addresses and telephone numbers is forbidden on the forum. Instead, PM's should be used (between each gender separately).

We apologize for the inconvenience - and just so that no one should get wrong ideas, let me state that it has nothing to do with our dear women members, 7Up, Habib, Trying, Letakein and theOne.

men and women were not allowed to communicate privately even before the recent events.

Wouldn't email addresses being visible cause the same problem?

Yeah, it will, but that can't be GYE's concern...tho it seems to me right now that *everyone's* emails should be hidden as a matter of policy.

Even now after the separation? Why?

KG, leave it alone. This guy/girl tension thing in general is not "their" problem or the "evil" prutzos. It's ours. Really.

And seriously, leave the girls alone. The girls twisted themselves backwards not to cross any lines. It's done. Leave it be.

7up - I think that KG is implying something about guys, not the girls...if it's anything more than a theoretical argument, anyway.

I don't think anyone has any doubt about how wonderful the special forces are. I know *I'm* glad they're on my side!

I'm not talking about the guys or the girls. I'm talking about the possibilities of things happening, and how to avoid them.

What girls? What guys? Nobody is bad!! Is there something I'm not getting here?

And the reason you checked?

Oh, I know it was for our sake. Thanx

Are you also a volunteer tester for K9?

Hey everybody, did you know that we seperated the men and women's forums recently?

What, you *didn't* hear?

Yeh, well, it's true.

Ok, now that I announced that... what do you say we lock this thread? ;D

I don't like this one bit.

I say throw those who abused the system out.

Why should the rest of us suffer?

This sucks. Some of the best chizuk was from the women. They are naturally more spiritual.

The forum won't be the same anymore.

I'll miss you gals.

I think so too!

Can we please have a fulfillment of the verse “chadesh yamenu k’kedem” and put the system back how it was.

It’s probably the real culprit for the painfully slow Page load in the last ten years due all this unnecessary online social distancing...

I think the next generation of GYE users will wonder how the forum was ever "mixed"...

Difficult as it may be, this transition would have happened eventually, in any event, and is a genuine milestone in GYE's history. Indeed, it's difficult to imagine GYE expanding to all different segments of Klal Yisrael if it continued to be mixed.

Personally, I relate more to this...

I certainly hear the potential maalos of getting insight from “the other side,”

And I’d be curious to hear what others think..

But for at least myself, I think the negatives outway the positives...

As YeshivaGuy wrote. I agree with him.

Also I agree with the quote. I don't understand how it ever was mixed. Especially regarding these issues. But I guess I had to be there to know. But if it were put up for a vote, I'd vote no. For 2 reasons. Because just like people abused the system last time they can do it again, and I would probably find it triggering conversing with girls.

Reading this thread in 2020... I can not imagine a GYE with mixed forums. To mean it seems like that would almost defeat the whole purpose. Online mixed gender chats are extremely dangerous. I have been there...many times. Maybe if it was supervised by GYE and everyone has lofty intentions it would be different. But I don't think so.

Agreed. This is not the right subject matter for a mixed forum.
