The Shlichim of GYE
Posted by the.guard - 26 Jan 2010 19:01

_____

So for the first year or two, I was doing GYE work by myself. But as we grew, it became necessary to start spreading out the work. Besides for not being able to handle it all any more, more and more people were enthusiastic about what we were doing and wanted to help out.

Below is a partial list of some of the GYE Shlichim and the tasks that they undertook to help us with. (I say "partial" because there are certain undertakings that need to stay anonymous and cannot be revealed here). Please let me know if I missed anyone...

If you see a task below that you feel you can help with and want to undertake to be part of, let me know and I will bl"n add your name to the list!

And of-course, if you can think of any other tasks not mentioned below that you feel you can help with, please let me know!

GYE is no longer only "my project". B"H it has grown and become "Klal Yisrael's Project"!  :D

GUARD this truly IS klal yisrael's project. I have learnt a new lesson last week "One man with a ratzon, and no yecholes. Can accomplish what many men of means cannot fathom"  I can send the ma'aseh to anyone who wants, but only by PM.

GUARD you truly have done that, and BH you are seeing your 'little project' expand into a worldwide lifeboat for all of klal Yisrael.

Hey EVERYONE see my post on the general forum, and say something!
