

**MISHPACHA IS ON-BOARD!**

Posted by the.guard - 09 Feb 2010 18:39

---

I just received word that the English Mishpacha will be featuring an article this week about Dr. Phillip Rosenthal, and they mention our network in the article! (That's a readership of 500,000)

I have already seen the article, but at Phillip's request, I cannot post it. After all, we want you all to go and BUY the Mishpacha Magazine this Thursday/Fri - 26 Shvat 5770!

Our network is not mentioned at length, but it is mentioned at a **critical part** of the article. And although they got some info wrong about what exactly it is that we do, it will still hopefully bring hundreds to "check us out"!! :D

**GUYS CALM DOWN!!!!!!!!!!**

**BREATHE IN AND BREATHE OUT**

**MISHPACHA MGAGAGAGAGAGZINE**

**IS NOT OUR ENEMY**

Perhaps this is the start of the end of the "Culture of Denial" in our communities...

**LET ME TELL YOU WHO THEY ARE**

THEY ARE A "BUSINESS"

THEY ARE IN THE BUSINESS OF SELLING MAGAGAGAGAGAGZINES

AND ADVERTISING

THEIR TARGET CLIENT BASE IS TORAH JEWRY

YES THEY DO A GOOD JOB AND SERVICE

BUT ITS STILL A BUSINESS

HAVING SAID ALL THAT

WE NEED TO REMEMBER

NO MATTER HOW MUCH THEY SAY THEY ARE DAAS TORAH ITS STILL A BUSINEES  
DECISION BASED ON DOLLARS AND CENTS

SORRY BUT IT IS HOW THE WORLD WORKS

MAGAGAGAGGAZINE DOES NOT WANT TO LOSE READERS

THEY ALSO DON'T WANT TO LOOK SILLY

THEY FEEL THAT BY SPEAKING OF CUTE LITTLE ISSUES THAT WERE SOMEWHAT  
HUSH HUSH

THEY WILL ATTRACT READERS AND ADVERTISERS

SO THEY PUSH THE ENVELOPE A DROP

TALK ABOUT SHIDUCHIM

POST PARTUM

AT RISK

OVER EATERS ETC

BUT THEY ALSO WANT TO BE NEWS WORTHY

THEY DONT WANT TO LOOK SILLY AND OUT OF TOUCH

HERE IS THE THING

WE DON'T NEED TO GAUGE OUR LEGITIMACY

BY BEING PROFILED IN MAGAGAGGAGAGA

WE "ARE" THE MISHPACHA!!!

THEY CAN KEEP ON PROFILING THEIR

SYNDROME DE JOUR

PUT IN A PICTURE OF THEIR 3 FAVORITE TZADDIKKIM

AND SHIMON PERES WITH A KAPPEL EATING MATZHA WHILE LIGHTING THE  
MENORAH ON PURIM

LISTEN JUST FOR THE RECORD

THEY BLEW IT WITH THE 3 BOYS IN JAPAN

AND SHALOM RUBASHKIN

THEY DON'T WANT GUE NUU NUU WE ARE IN GOOD COMPANY

The article almost totally ignores the huge elephant in the room which is that one of the most destructive forces of the internet is pornography not just surfing. That is not to say one couldn't be addicted to internet other than porn but lets get real about what the most dangerous parts are.

its a double edged sword
