A New Phone Conference Group Beginning for Spouses of Addicts

Hi, My name is Miriam and I would like to introduce myself. My husband is Duvid Chaim, who leads [a phone conference for the men](#), and he brought to my attention that the wives of the men who attend his call would like to join a program too. You see, women who are married to an addict, may also benefit from participating in a 12 Step Program - focusing on Co-Dependency issues.

My background is attending and sponsoring people in [CODA \(Co Dependents Anonymous\)](#) for the past 4 years, and I have been active as a Life Coach for the past year. I would like to start a phone conference right after Chanukah to help the spouses of addicts with the Green Book (which is The 12 steps and 12 Traditions workbook of Co-Dependents Anonymous).

Please help us publicize this group to wives and get as many women the support they need now.

Any woman who wants to join should purchase a hard copy of the Green Book. It can be bought on Amazon.com [over here](#).

I can be contacted at miriamgye@gmail.com for questions, or you can call me at: 318-599-9408.
