

Thank you Dov and GYE

Posted by chaim2000 - 17 Sep 2010 15:29

---

Bh i am now sober three weeks. What will be tommorow i dont know. I am suffering from withdrawel. I sleep about four hours nightly and i feel sick all the time. My wife doesnt know anything but she tells me i dont understand you are so sick but so happy! So as i enter into Yom kipur exhausted but happy I say thank for everything.
